

NYLEN SCHOOL OF NURSING

November 1, 2023

Dear High School Counselors:

The Nylene School of Nursing at Morningside University will award a **\$1,000 Nursing Scholarship** to an incoming nursing student again this year. Students interested in pursuing a Bachelor of Science in Nursing degree at Morningside University starting in August of 2024 are eligible to apply. The student will receive \$1,000 toward tuition and expenses upon enrollment at Morningside University.

The Nursing Scholarship will be awarded at the Annual Maud Adams Nursing Research Day on **April 17, 2024**. It is the expectation that the student will be present at the event to receive the award. The day features award celebrations, a keynote address by the Nursing Alumnus/a of the Year award winner, nursing student projects and research presentations.

The scholarship criteria include the students' academic and co-curricular achievements and their potential for professional nursing practice. **Please encourage your students to complete the enclosed application and return it before December 8, 2023.** Feel free to photocopy the form as needed.

If you have a student who would like to attend the event, please call or email to register by April 7, 2024 at 712-274-5156 or samuelsnk@morningside.edu.

Thank you,

Kari Varner
